Letter from the Founder

DAVID A. PYLE
Founder
Chief Executive Officer

Congratulations, American Career College 2021 graduates!

Dear Class of 2021,

The American Career College family and I congratulate you on your graduation! This educational milestone is a testament of your commitment to forging ahead in your careers. For more than 40 years, our college has educated generations of healthcare professionals, and the Class of 2021 has proven perseverance and tenacity by continuing their studies through unforeseen difficulties. You should be immensely proud of your achievement.

You are entering a world that needs you. It needs your passion, your willingness to help, and your ability to tackle any challenges that arise. You are now ready to play a crucial role in our society as an essential health care worker. You have completed a curriculum of rigorous training and skill development that has prepared you to help others who need you now more than ever.

Although we are unable to celebrate together this year for the safety of our ACC graduates and community, I want you to know that we fully recognize your incredible accomplishments. You put in the work while juggling many other commitments and completed your program. I am personally inspired by your dedication and strength.

I would like to share with you a simple but powerful quote by our graduation keynote speaker DeVon Franklin: "Anything you pray for; you need to prepare for."

Dreaming big is important for a successful career, but it is only the first step. To turn those dreams into reality, to live up to everything you know you can be, you must prepare. Pursuing your healthcare education has been a big step in that preparation. As you continue to advance as a healthcare professional, I encourage you to dream big, prepare, and remember the lessons you learned while at ACC.

Congratulations again on your success! I could not be happier to celebrate your achievements and recognize your hard work. We are proud to welcome you to the ACC alumni family.

Yours Truly,

David Pyle
Founder and CEO

In addition to his work as a producer, DeVon is also the author of multiple bestselling books including “The Truth About Men,” “The Success Commandments,” “The Wait” (co-written with his wife, award-winning actress Meagan Good), and “Produced by Faith.” His highly anticipated fifth book, “Live Free: Exceed Your Highest Expectations” is available now.
